Remarks

Welcome to 4583 Forest Avenue, where modern style, incredible entertaining spaces, and private Watkins Lake living come together. Tucked along a protected cove of the lake, this 3-bedroom, 2-full-bath home offers a more private waterfront setting while still giving you direct access to enjoy the lake. A small association fee also provides access to a beautiful neighborhood beach area, giving you even more ways to enjoy lake life. Inside, the main level offers a bright, open flow designed for both everyday living and entertaining. One of the home's standout features is the spa-inspired full bath, complete with a steam shower and soaking tub-your own private retreat at home. The outdoor spaces are just as impressive. A large yard, spacious deck, screened-in porch, covered entertaining area, and outdoor shower create multiple places to gather, relax, and enjoy Michigan summers. Two driveways provide abundant parking for guests, while two EV charging stations add a thoughtful modern convenience. And then there's the basement. Designed for entertaining, this incredible space features a full game area with a pool table that stays with the home, plus an expansive wet bar complete with sink, dishwasher, and plenty of room for hosting. Whether you're spending the day on Watkins Lake,
